

## CONTRAINDICATION

A contraindication is any indication or symptom that makes it **inadvisable** to use a particular service. Please call us at **713-667-8600** if you believe you have a contraindication. We will help clarify your situation and ensure that you are guided appropriately. Further we strongly encourage you to discuss with your medical doctor who has a more comprehensive understanding and context of your overall health and well being.

### Contraindications for Colon Hydrotherapy

Cancer of the colon or GI (gastro intestinal) tract	Recent colon or rectal surgery (last 6 months)
Acute abdominal pain (please call us to clarify)	Diverticulitis
Recent history of GI or rectal bleeding	Recent heart attack
Congestive heart failure	General debilitation
Uncontrolled hypertension	Renal insufficiency
History of seizures	Severe hemorrhoids
Carcinoma of the rectum	Fissures or fistula
Abdominal surgery (within last 6 months)	Ulcerative colitis
Intestinal perforation	Acute Crohn's disease
Abdominal hernia	Rectal or abdominal tumors

If you have any of these contraindications you may still be eligible to receive colon hydrotherapy once they have subsided or been eliminated. We are happy to answer your questions, please call **713-667-8600**.
